## **GUIDELINES FOR BATCH GUARDIANING**

1. Faculty Batch Guardian will arrange meetings with students once in a month.
2. Faculty Batch Guardian will assure that monitoring details are filled/updated by the students.
3. During follow up meetings the Batch Guardian will get information about attendance if the students and counsel them for irregularities if any.
4. Faculty Batch Guardians have to make the performance analysis of individual students on the basis of their attendance and test marks.
5. After every internal evaluation, Batch Guardian will get information about the students' academic performance in the same and understand reasons for poor performance, if observed.
6. Batch Guardians are expected to encourage students to participate within and outside institute activities to explore their special skill and abilities.
7. The record of all meetings has to be maintained by all the faculty Batch Guardians individually for every student.
8. Such record will be used to share with the respective parents during the parents meet, as well as will be produced to the management whenever required.
